Instructions: For this week's virtual check-in, you are required to submit the following:

- 1-2 Screenshots of Your Project

- This week

-

- Self-evaluation Survey

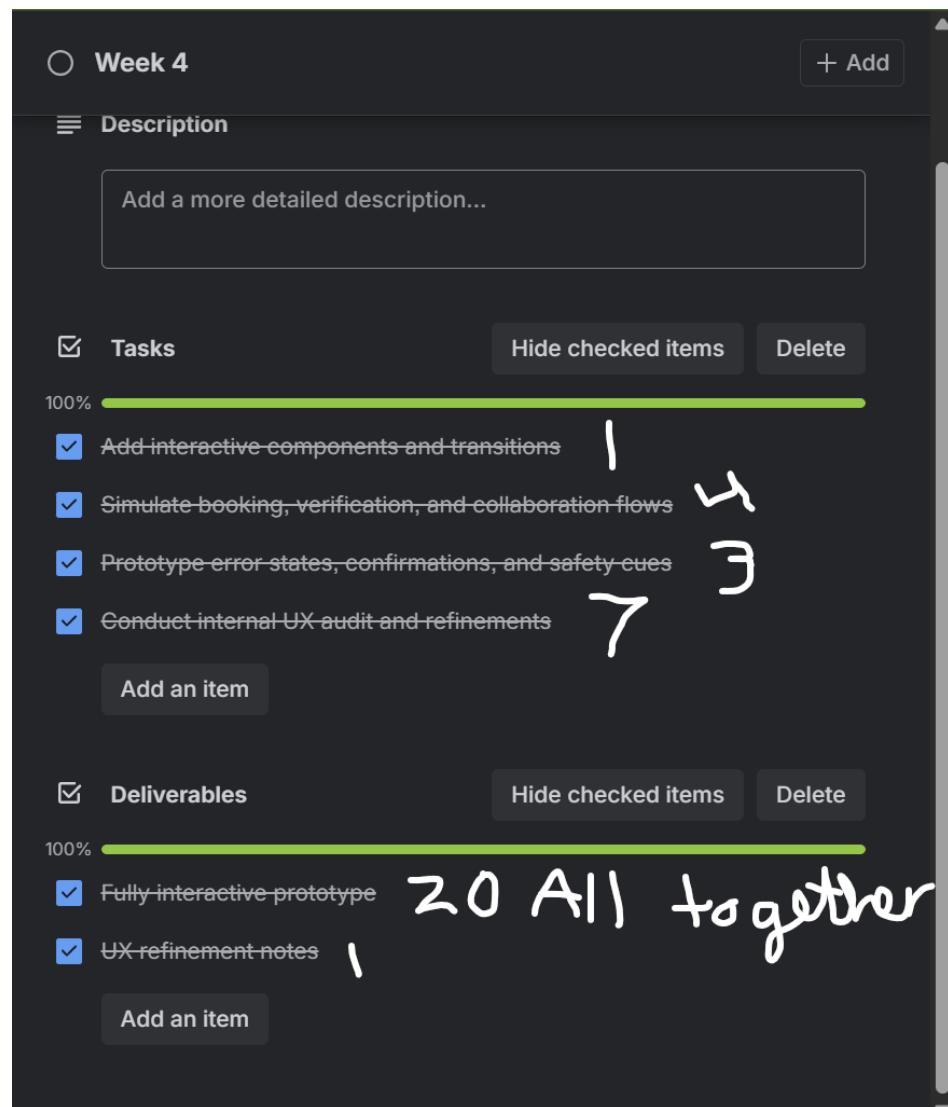

- I did this one. On time too lol!

Your self-evaluation should include:

- Hours worked each day
 - Monday: 3.4 hours
 - Tuesday: 7 Hours (not consistently)
 - Wednesday: 2 Hours
 - Thursday: 6 Hours
 - Friday: 5 hours
- Your mood or mindset during your work
- Any notes, thoughts, or reflections on challenges or achievements from the week
- Trello Board Check
 - All updated and completed.

I will be reviewing your Trello board directly. Make sure:

- All tasks for this week are logged with proper hour estimates.

- Your board reflects an accurate representation of your project's progress. Ensure tasks are updated and moved to the appropriate sections.
- GitHub Check-In
- You must have made at least one commit to your project repository within the last two days.
 - Check my Google Gemini instead of my GitHub (not coding)
 - I attached the app working.
